

## Investment wildlife property consultants with an edge:

Nanette Fourie BSc. Hons. (Ecology) from EkoFocus Wildlife Property Consultants is a professional registered estate agent and registered ecologist with 14 years practical experience.

Nanette is also part of the professional EkoFocus Wildlife Consultants team (led by her ecologist husband, Gert Fourie) that will assist you with the purchase of the land as well as a wide range of after sales professional services. Our operating procedures:

- Discuss beforehand your needs, expectations and budget
- Identify farms that meet your criteria by contacting the extensive network of selected agents in the field
- Evaluate the farm of your choice from an ecological and potentially viable view point - professionally
- We lead you through an evaluation report to the correct buy
- No additional commission is involved
- An affordable fee is charged for the evaluation – refundable when purchasing the property

Contact Nanette at 082 929 5277 or [info@ekofocus.co.za](mailto:info@ekofocus.co.za)
